

Moving to WA - One week checklist

Here are some helpful hints and tips to make the move a little easier.

Immigration, travel and documentation

- [Check what items you can and cannot bring into Australia](#)
- Finish packing and check your luggage weight
- [Pack important documents](#) and valuables in your carry-on luggage
- Give your family members a copy of your itinerary

Home and finance

- Pay any outstanding bills
- Redirect your mail
- Check that belongings you have shipped to Australia are in transit

Employment

- Make sure you have received your professional references and academic transcripts
